UNIVERSITY OF COLORADO
COLORADO SPRINGS

2023 – 2024

Lecture Series & Scholarship Program

CURIOSITY UNLIMITED

The on-campus Lecture Series will be at 10:00 a.m. in the *Chapman Foundations Recital Hall at the Ent Center for the Arts* which offers close-in handicapped parking and a flat walk for regular parking.

In addition to the regular lectures, Curiosity Unlimited will host a May luncheon and lecture; details later.

The Curiosity Unlimited Scholarship Program supports scholarships for senior year students at UCCS. Membership Dues support both the scholarship fund and lecture series expenses. Additional dedicated Scholarship Contributions are also very welcome.

WHAT WE'RE ABOUT

CURIOSITY UNLIMITED was founded in 1977 by a group of Pikes Peak area citizens to provide a forum for stimulating community interest in the University. The primary purposes are to create opportunities for the community to become acquainted with UCCS faculty members by providing monthly speakers from this faculty, and to study relevant issues pertaining to their lectures.

Since the early 1980's, Curiosity Unlimited has been awarding scholarships to seniors, funded by membership dues in excess of expenses and dedicated contributions to the CU Foundation for the Curiosity Unlimited scholarship fund. More than \$140,000 has been awarded to date thanks to the generosity of the membership.

More information about Curiosity Unlimited including Lectures is at www.uccs.edu/curiosity

Guests:

On campus lectures are free and open to the public. We welcome non-members to attend lectures. Contact Membership Chair Veronica (Roni) Spaulding at 719-481-8723 or ronispaulding@yahoo.com for more information. For attendance at additional lectures, we encourage you become a member and support our scholarship program.
